

## PAULA

The “Paula” is the school’s cafeteria and kiosk, providing all students and teachers with an assortment of edibles. The kiosk (which is open in the two main recess periods and during the lunch period) sells snacks, drinks, and a variety of sweets.

In addition, the school’s catering company, Stattküche Münster ([www.stattkueche.de](http://www.stattkueche.de)), provides a low-cost hot meal. Those who are interested in receiving the hot meal service should contact the Stattküche by email or telephone ([info@stattkueche.de](mailto:info@stattkueche.de)/ Tel. 0800- 74 74 800).

You can also register online at [www.schulessen-muenster.de](http://www.schulessen-muenster.de). After successfully completing the form, you will receive a username and password, which you can use from home to order food online.

If your child has any food allergies or other eating restrictions, please contact the catering company to coordinate special meals.

A Paulinum student identification card should be shown to receive meals. If a student does not yet have an ID card, he or she should request one from the administrative office. In the meantime, the catering company will provide a replacement card.

Food orders must be placed online at least one business day in advance by 1:00pm. This can also be done at a terminal in the school’s first floor lobby.

The billing of the food is handled exclusively by the catering company, Stattküche Münster. If your child is unable to receive a meal, for example due to being sick, you can cancel the meal by no later than 9:00am on the same day by calling the cost-free hotline at 0800 – 74 74 800 or by emailing [hotline@stattkueche.de](mailto:hotline@stattkueche.de).
